

Erline & Armelle Clinic - 2024 annual Report

As Haiti struggles to find peace, the Clinic continues to thrive and serve the Villager's !

Patient Counts

2023 - Total Clinic Visits
5,262
438 / Month

The patients served has remained constant and strong for the past two years.

2024 - Total Clinic Visits
5,327
444 / Month

Grouping	Male	Female	Infant
*Regular Clinic Visits	1,262	2,023	1,106
Percent - %	28.7 %	46.1 %	25.2 %

The Clinic is in a remote area of Southern Haiti and is isolated from the direct turmoil in the cities. While the area around Beaulieu is affected by the shortages and lack of support, fortunately there is no benfit for the gangs to be in the area.

THANK YOU

Haitians Serving Haitians

Pharmacy Income & Medicines Purchased

Erline & Armelle Clinic – 2024 Annual Report

CARITAS has continued providing MONTHLY MOBILE CLINIC SERVICES adding to the healthcare services available at the Clinic.

Each month, they also donate much needed medicines, medical supplies and equipment helping to keep the Clinic's healthcare services going.

Healthcare, *"improvement of access to health services, access to high-quality medical care, and implementation of training regarding health and sanitation systems"* is one of the many programs CARITAS runs in Haiti.
